

## Acknowledgments

The Mississippi State Department of Health, Division of Health Planning and Resource Development, prepared the *FY 2004 Mississippi State Health Plan* in accordance with Sections 41-7-173(s) and 41-7-185(g) Mississippi Code 1972 Annotated, as amended.

The *FY 2004 State Health Plan* results from the comments and information supplied by various divisions of the Department of Health, other agencies of state government, health care provider associations, and interested members of the public. The *Plan* also reflects the direction and guidance of the Mississippi State Board of Health.

The Division of Health Planning and Resource Development expresses appreciation to the many individuals who provided invaluable help in publishing a timely and accurate *State Health Plan* and recognizes the following agencies for particular contributions:

Mississippi State Department of Health	Office of the Governor
Office of the State Health Officer	Mississippi Department of Human Services
Division of Communications and	Mississippi Department of Mental Health
Public Relations	Mississippi Department of Rehabilitation
Bureau of Child Health	Services
Division of Home Health	Mississippi State Department of Education
Bureau of Women's Health	University of Mississippi Medical Center
Office of Community Health Services	School of Medicine
Division of Health Promotion	School of Dentistry
Bureau of Public Health Statistics	School of Health Related Professions
Bureau of Environmental Health	Board of Trustees of State Institutions
Division of Emergency Medical Services	of Higher Learning
Division of Health Facilities Licensure	Mississippi State Board of Medical
and Certification	Licensure
Division of Licensure and Regulations	Mississippi State Board of Nursing
Division of Printing	Mississippi Dental Association
	Mississippi Nurses' Association

Numerous other organizations provided essential information. The Health Planning staff appreciates the cooperation and assistance of all who contributed to the *2004 Plan* and wishes that space permitted individual acknowledgment of each one.
